The image shows a screenshot of a software window titled 'EXPORT'. At the top, there are two text input fields labeled 'Read From:' and 'Export To:'. Below these is a large empty rectangular area. To the right of this area are four buttons: 'Set Password', 'Add', 'Remove', and 'Remove All'. At the bottom of the window, there is a section labeled 'Export Directory:' which contains two radio buttons: 'Overwrite existing files.' and 'Overwrite with user confirmation.' (the second one is selected). To the right of the radio buttons are four buttons: 'Export All', 'Select Export Directory', 'Export Selected Items', and 'Exit'. Various numerical labels (2500-2512) are placed around the window, with lines pointing to specific elements.

The image shows a screenshot of a software window titled 'IMPORT'. At the top, there are two labels: 'Read From:' and 'Import To:'. Below these is a large, empty rectangular area. To the right of this area is a vertical stack of four buttons: 'Set Password', 'Add', 'Remove', and 'Remove All'. Below the large area is a section labeled 'Import Directory:' followed by a dropdown menu. At the bottom of the window, there are two radio buttons: 'OverWrite existing files' and 'Overwrite with user confirmation' (which is selected). To the right of the radio buttons are four buttons arranged in a 2x2 grid: 'Import All', 'Import Selected Items', 'Select Import Directory', and 'Exit'. Various numerical labels (2600, 2601, 2612, 2611, 2610, 2609, 2608, 2603, 2602, 2604, 2605, 2606, 2507) are placed around the window, pointing to specific elements.
